

# NEATRECEIPTS

MOBILE SCANNER & SOFTWARE

**The scanner that understands your receipts.**

## THE EASIEST WAY FOR SMALL BUSINESSES TO MANAGE THEIR EXPENSES.

### INTEGRATES WITH BUSINESS SOFTWARE

NeatReceipts syncs with leading software packages such as QuickBooks®, Excel®, Outlook®, MS Money® and more.

### ORGANIZES BUSINESS CARDS

Store, search and manage your contacts and business cards. Integrates with your Outlook address book.

### REDUCES TYPING

NeatReceipts reads and extracts key data from receipts, invoices, business cards and other documents.

### CREATES EXPENSE REPORTS IN SECONDS

Scan in your receipts and save the expense report in a variety of formats including PDF, XLS, DOC, HTML and more.

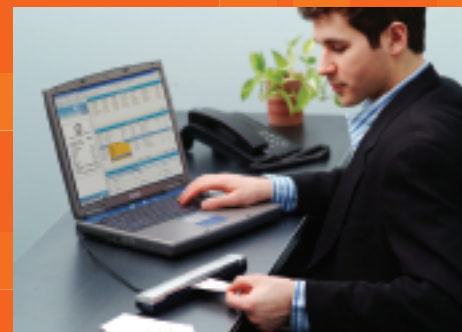

### MAKES TAX PREPARATION EASIER

NeatReceipts digital receipts are accepted by the IRS. Organize your tax-deductible expenses throughout the year.

**Easy as 1-2-3...**  
**From Receipts**  
**To Scanner**  
**To Spreadsheet**
